

# Geography – Year 11 Holiday work

In preparation for your PPE's you should use Kerboodle and your notes in the first instance and when made available by the school the Revision book for AQA Geography published by CGP.

The topics under review will be:

- Glacial landscapes
- The urban world (Rio)
- Urban changes in the UK (Bristol)
- The development gap.

You should make summary revision notes in whatever format you are comfortable with.
