

History – Year 11 Holiday work

In preparation for the Y11 PPE you will all be sent a revision booklet for the Germany paper.

You should aim to print this out and use it to revise from in combination with the Kerboodle online package.

If you are not able to print out these out over half term please see the history staff or email us or Mrs Sion before Friday.

You should aim to complete mind maps and cue cards to show you have completed some revision or alternately write up notes with highlighted sections to show you have attempted revision tasks rather than just scanning through the revision pack.

The Key areas to revise are Germany 1890-1945. Relevant material will be in the revision booklet.

The Conflict and Tension Paper will test areas such as the Treaty of Versailles and the League of Nations. You should use your books and Kerboodle for this. The whole book is online.

The Restoration period is currently our area of study in lessons. This will also be tested so you should read through and familiarise yourselves with what we have been doing in class recently.
